

# FROM ONE KID TO ANOTHER

## Are you ready to change a child's life?

- ✓ Start by looking around your bedroom and house at your own possessions. What don't you really need?
- ✓ For example, if you are an 8-year-old girl, and you have grown out of all of your perfectly good 7-year-old clothes – please collect and place in one of your largest organizer boxes.
- ✓ Then add shoes, socks, schools supplies, books, toys and games.
- ✓ Write a note especially for the girl who is going to receive these items.
- ✓ Create a label for the outside of the box and label “7-year-old” girl.
- ✓ If you have the same items from when you were six, do exactly the same for a 6-year-old.
- ✓ Then tell all your friends to do the same!!

**Each custom made box made by you will go to a young person around your age who very much needs these items.  
Thank you for taking the time to change a life!**
