Home for the Holidays

There's a certain kind of magic that settles over the East End this time of year—when the beaches are quiet, the air crisp, and the glow of a fire feels like an embrace. It's a season that invites connection, reflection and a touch of sparkle, and no one embodies that spirit quite like our cover stars, Neil Patrick Harris and David Burtka. From their beautifully restored East Hampton home, the multitasking duo have crafted a haven that perfectly captures the essence of Hamptons holidays: a place where laughter rings through the kitchen, game nights stretch long by the fire, and family time feels both effortless and intentional. Their home is not just an escape—it's a joyful reminder that the greatest luxury is time well spent together.

In this Holiday Issue, we celebrate that sentiment in all its forms. Inside, you'll find our annual holiday gift guide, filled with inspired finds for everyone on your list, along with the best places to see the season's most dazzling light displays and where to sip the most decadent hot chocolate from Southampton to Sag Harbor. Whether you're gathering around the table, walking the beach at dusk or simply taking a breath between celebrations, we hope this issue serves as your invitation to savor the simple pleasures that make this season so special.

Cover stars Neil Patrick Harris, David Burtka and their twins, Gideon Scott and Harper Grace. On Grace: LOEWE sweater, loewe.com; Maje jeans, maje.com. On David: Burberry top and trousers, burberry.com. On Neil: Ralph Lauren Purple Label sweater, ralphlauren.com; BOSS trousers, hugoboss.com. On Gideon: Dior shirt, dior.com; Polo jeans and tank top, ralphlauren.com.

Here's to finding warmth, wonder and a little bit of holiday sparkle—right here in the Hamptons.
