

# The Home Creation Experience

A Sense of Home strives to prevent homelessness by creating first-ever homes and a community for youth aging out of foster care. 50% of those struggling with homelessness are former foster youth. The homeless crisis can only end through prevention.

## What is a Home Creation?

A Home Creation is a life-changing community experience. In just 90 minutes, you and your group transform a young person's empty apartment into a real home by unpacking, decorating, and thoughtfully staging each space with up to 300 essential and personalized items.

Get inspired and watch a recent Home Creation in action.

## Who is Eligible?

# Creating a Home in 90 Minutes

## 10:45 AM – Volunteer Arrival

Parking may be limited, so carpooling or the subway is encouraged.  
Check in with ASOH staff outside the recipient's unit.

## 11:00 AM – Welcome Circle Begins

We gather in the recipient's home to begin this journey together.  
Volunteers introduce themselves and share why they are here.  
Your team learns how the Home Creation will unfold.

## 11:15 AM – Home Creation Begins

The truck is unloaded, and the transformation begins.

Once everything is inside, teams break into rooms to design and set up the home.  
Your team carefully places furniture, art, bedding, rugs, and décor to create a welcoming space.  
The recipient meets with ASOH staff to build a vision board and learn about local resources.

## 12:30 PM-1:00 PM – The Big Reveal & Closing Circle

The recipient steps into their new home for the very first time.  
We conclude with a Closing Circle, gifting our Love Jar and words of affirmation.
